ELITE STOR LANE REEL

HIGH CAPACITY, MOBILE LANE-LINE STORAGE

Competitor's new, high-capacity Elite Stor-Lane Reel™ is ideal for easy and proper storage and installation of racing lanes.

High-capacity and solid ends keep lines safely on the core to avoid tangles and line damage. Powder-coated aluminum frame and end-wheels offer durability for both indoor and outdoor use.

A unique, end-mounted tow-handle and 6-inch stainless steel casters with individual brakes provide easy and safe maneuverability. Available in dark Competitor blue.

Dimensions: 83"x60"x71"

Weight: 199 lbs

Construction: powder coated aluminum

Casters: 6" stainless Steel

Capacity: 902' for 4" lanes and 492' for 6" lanes
